

REGIONAL TECHNICAL TEAM ON RECEPTION,  
ADMISSION AND CASE PROCESSING  
ROADMAP 2025

Below is the schedule of the 2025 sessions and deliverables for the Regional Technical Team (RTT) on Reception, Admission, and Case Processing under the MIRPS framework. The sessions highlighted in yellow will be conducted in coordination with the MIRPS Support Platform. This schedule will be monitored and is subject to change—both in content and format—as deemed appropriate by the lead country and MIRPS member states.

Work sessions

Date	Session
March	Virtual session on due process in procedures for determining refugee and stateless status and granting complementary protection, including an introduction to differentiated modalities.
April	Learning Event on International Protection, in coordination with the MIRPS Support Platform.
May	Technical session on differentiated modalities for case processing within asylum/refugee systems.
June	Session on best practices in the use of differentiated strategies for case processing within asylum/refugee systems.
July	Workshop on the Gender Approach in Refugee Status Determination processes, in coordination with the MIRPS Support Platform.
August	Technical session on the modernization and digitalization of asylum/refugee systems.
September	Session on best practices in the modernization and digitalization of asylum/refugee systems.
September/ October	II Regional Meeting of CONAREs for the Strengthening of Asylum Systems, in coordination with the Quito Process and the MIRPS Support Platform (subject to resource availability).

Deliverables

October	<ul style="list-style-type: none"> <li>• Protocol for the implementation of differentiated processes.</li> <li>• General considerations on the modernization and digitalization of asylum systems.</li> </ul>
